RE: World Trade Center Recovery Project
Water Analyses

Dear Mr. Dennise:

As you requested, we have enclosed correspondence regarding water analyses performed for the World Trade Center Recovery project. We collected the samples and Severn Trent Laboratories performed the analysis. The results were forwarded to Jim Abadie of Bovis Lend Lease.

If you have any questions, please do not hesitate to call me at 973-627-2100 ext. 248.

Very truly yours,

Moretrench American Corporation
