Rooms 815, 809 and 205

Dear Mrs. Soroka,

General Cleaning was performed at the above referenced school from January 31 through February 1, 2002. Kiss Construction Inc. acted as the General Contractor and Taylor Environmental Group, Inc. performed the aggressive air sampling at the completion of the clean up work.

Based upon the final visual inspection and air sample results, Rooms 815, 809 and 205 have met re-occupancy criteria as defined in all applicable federal, state and local regulations.

If you have any questions, or require further information, please do not hesitate to call. I hope we have satisfactorily assisted you in your environmental health concerns.

Sincerely.

Chris McElgun
Project Manager
