

WTC Visual Survey

Date: Saturday, 4-13-2002

Inspectors: R. Okello & B. Gill

Area: Between South & Pearl Sts, North of Water St to Maiden Lane

Buildings in area above were 120, 110, 100, 80-82 Wall Street; 160 Pearl Street; 130, 124-126, 122 Water Street; 88 Pine Street; 80, 129, 159, and 161 Maiden Lane.

All buildings were inspected except the following:

✓ 80-82 Wall Street – No personnel available during weekend to authorize access. Inspection should be done on a weekday, during business hours.

125 Maiden Lane – same as 80-82 Wall Street

159 & 161 Maiden Lane – These buildings were closed. Reinspect on a weekday.

Visuals done from adjacent, higher roof tops:

124/126 Water Street – request for data and reports was given to someone in the building.

88 Pine Street – request for data and reports not given to anyone in building. Building was closed.

160 Pearl Street – same as 88 Pine Street
