

①
2/23/02. A. PlumPTRE

- ① Four buildings were inspected with 9 samples taken from each building. The buildings were 181, 179, 177 and 175 Broadway in NYC.
- ② Seven buildings were without access but still have materials on the windows and facades. The buildings were 49-51 Warren St, 53 Warren St, 55 Warren St, 56-58 Warren St, 54 Warren St, 183 Broadway and 37 Murray St on Church St.
- ③ ³⁷ Murray St on ~~the other side~~ ^{the other side} is cleaned including the roof and the setbacks.

2/24/02

- ① 128 Chambers St → still having materials on the roof and the windows including the facades but could not gain access.
- ② 160 Chambers St → The roofs including the facade and windows have been cleaned.
- ③ 125 Broadway/140 Park Place → NO ACCESS. I was told to come back on 2/25/02.
- ④ 88 Warren St → Lots of materials still on the facades, windows and the roof. The building has not been cleaned but could not gain access.
- ⑤ 101 Murray St (St John's University) is cleaned.

Summary -
