R. Radhakrisnan, P.E.
Director
NYC DEP Asbestos Control Program
59-17 Junction Boulevard 8th floor
Corona, New York
11368-5107

Dear Mr. Radhakrisnan,

This is in response to your letter regarding the Battery Maritime Building (4 South Street). My office conducted air monitoring for asbestos inside the building and performed a visual inspection of the structure following September 11th. Attached are copies of the testing results for this facility. If you have any questions, please feel free to contact me at (212) 442-1965.

Sincerely,

John Massey
Director
Office of Safety and Health
