**Re: Premises: 10-26 South William Street
New York, NY 10014
Tenant: South William Parking, LLC
Date of Your Letter: April 19, 2002**

Dear Mr. Radhakrishnan:

I am special counsel to South William Parking, LLC who has asked me to respond to your letter of April 19, 2002.

I observed from the nature of the letter that it is a form letter addressed to building owners regarding building maintenance and re-occupancy issued following the collapse of the World Trade Center.

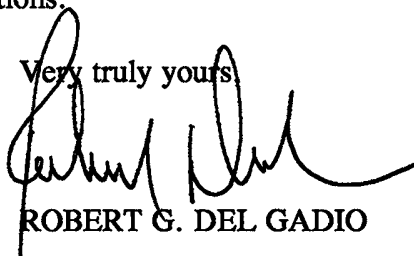

My client, South William Parking LLC is not the building owner but is a tenant of the building under lease from the landlord.

I am advised that there were no noticeable problems following the collapse of the World Trade Center and as a result there is no bulk sample testing performed or air monitoring testing performed.

I trust that this satisfies your request.

Please advise if you have any further questions.

Very truly yours,

ROBERT G. DEL GADIO
