Subject: Building - 51 Murray Street, New York NY 10007

Mr. Radhakrishnan:

I am writing in response to your letter of February 12, 2002, regarding the assessment of contamination of the buildings at Ground Zero.

About the building maintenance issue following the collapse of the World Trade Center, please be advised that the building of above address:

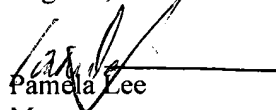

- Was found with no broken window
- Minimum dust was trapped inside the building
- The building was cleaned by cleaning workers
- The building is monitored for cleanliness and will re-clean area where necessary

If you have any questions, please call me at 212-962-8959 or my cell at

PII

Thank you.

Regards,

Pamela Lee
Manager
