Dear Ms. Molloy:

This is to confirm your conversation with Mr. Dennis Antzoulatos of the New York City Department of Environmental Protection.

The Department has received the license agreement for the cleanup of exterior building surfaces at 101 Maiden Lane, Manhattan. The cleanup contractor and the scaffolding contractor visited the building earlier today in preparation for the cleanup activities. Work is expected to begin the morning of Tuesday, September 3, 2002. Arrangements have been made with your building superintendent.

A copy of the insurance certificate provided to the Department by the contractor is attached for your reference.

If you have any questions, please do not hesitate to contact our office.

Sincerely,

A handwritten signature in black ink, appearing to read "Penny Theodorellys".
