Penny,

I just read your email dated 3/6/03, paragraph 5. Yes, we understand since the ceilings will be ripped out that all of the lighting will be discarded.

I forgot to add that to my previous list.

Thank you,

PII

Hello Penny,

Please forgive us for the delay on our list of appliance throw-aways; however, we didn't know we were supposed to do that in addition to the walk through with you. We just got back from being out of town for a while.

The following items should be removed from our apt. and thrown away:

Security TV Monitor (in Elevator Entry)

Bose Musical System (from Fireplace Room)

Alarm System

Smoke Alarms

Gas Alarm Sensors

Our Personal Security Monitor/Screen

Broken Door in Kitchen Area

Busted Safe

(2) Dishwashers (Kitchen & Laundry Room) (Save Cabinet Panels to replace)

Refrigerator (Save Cabinet Panels to replace)

Wine Refrigerator

Microwave

Washer & Dryer

Gas Fireplace

I'm trying to remember if we have forgotten anything. We also had marked everything that day with you, so hopefully the stickers are still there (if I did forget). If you have any questions, please feel free to call me at

PII

Thank you,

PII

Penny:

The following is the disposal list for apt [PII].
Please note that everything is tagged with a red tape indicator and/or a white label with a "D" on it.

Kitchen & Living Room:

Small tan suitcase and brown paper
Stool (next to stove)
All items under kitchen sink
Dishwasher (SAVE wooden panel & knob)
Refrigerator (Chris: Can we save wood paneling on front?)
4 wooden window flower boxes and items inside
Tree and container

Master Bedroom:

Garbage bag

2 tall boxes UNTAPED with paper and other materials inside
1 large Black suitcase

Entrance Hallway:

Washer
Dryer
Hoover Dustbuster

I assume therefore that all items NOT marked as noted above will be cleaned and left in the apartment after the DEP contractor has completed work.

Any questions, please call me at 212/771-7317.

Thank you
