The e-mail was just for your information.

You need to have the project monitor there during all the slots. These are the walk throughs with the residents discussed during the pre-bid meeting.

You can also start on the wipe testing this weekend if we have the commence work letter and all the request forms back. So you will continue to get info as I receive it. I just wanted to keep you informed and up to date.

Call if you have any questions. (718) 595-3657

This is to provide you with an update and confirm that the Department has the correct contact information. Please send a confirmation that you have received this message and/or pick a "walk-through" time if you wish to have one. Thank you.

The DEP has received the cleaning request forms from:

- * Condominium Unit 302 (3rd) Floor
- * Condominium Unit 4 (fax copy)
- * Condominium Unit 5
- * Condominium Unit 6
- * Condominium Unit 7
- * Condominium Unit 8
- * Condominium Unit 10
- * The authorized representative of 114 Liberty Condominium for the cleaning of the common spaces.

So we need the commercial spaces, 9th floor, and the penthouse. As discussed in our meeting we will need the original signatures as soon as possible before the cleaning.
