Subject: 67 Greenwich Street
28-30 Trinity Place

February 28, 2002

Dear Director Radhakrishnan;

Please be advised that 67 Greenwich Street is a small building. The same building also fronts on 28-30 Trinity Place. The top floors are vacant. Only one store on the ground floor is at present occupied by a restaurant MC Exchange. They provide their own heat and airconditioning. According to them, they were inspected by the Health Department (inspection reports enclosed). The manager also told me that there was also an inspection by the Department of Environmental Protection.

Sincerely yours,

Martha Schessel - owner
