Re: Pressure Washing of Two Roofs

Dear Morty,

CSI technicians performed the below listed services on October 21<sup>st</sup>, 2002 for two roofs at the above listed location:

The following work was performed:

- CSI technicians cleaned the upper and lower roofs using pressure washers, vacuums, brushes, brooms, and other cleaning materials.
- Our technicians removed dirt and debris and left roofs as clean as possible.

Please feel free to call on us for further information.

Sincerely,

**Chemical Specifics, Inc.**
