Re: 125 Cedar Street

Dear Penny,

I am taking this opportunity to follow up on your request relating to the phone store which fronts to Liberty Street.

The Phone Store will be accessed into by way of the hatch door leading to the basement. A decon which is at the Cedar Street sidewalk will be utilized by the crews which will access and loadout the Phone Store through the basement of 125 Cedar Street.

If I can be of any further assistance, please do not hesitate to call.

Sincerely,

Peter Grande
PROJECT MANAGER

Subject: 125 Cedar Apartment Inspection

The following apartment were inspected on November 7, 2002:

[PII] his concerns were that there was a light dust visible on his finger when he passed it on a top ledge above one of his windows, that was Tar on his kitchen floor, the pipes that come from the ceiling were not sealed with foam, that a general cleaning of the apartment is required because of light visible dust (not WTC) is present. also wanted the apartment sheetrock wall sealed and fixed.

[PII] were very happy with the clean-up.

[PII] very happy with his apartment.

[PII] very happy with the clean - up.

[PII] wants some more cleaning, removed some loose tiles in bathroom and saw some dust. Complained about molds, and water leaks at radiator. Some cleaning of the debris behind the tile may be required, wanted additional floor boards removed.

[PII] Happy with clean-up
