Re: 200 Water Street - DEP Request for Asbestos Hazard Assessment Information

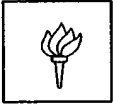

Dear Madam or Sir:

We lease from the owner, Rock Rose, a majority of the 200 Water Street Residence. We received your request from them on May 1, 2002. Because of our concern for our students and with the permission of Rock-Rose, we undertook the asbestos hazard assessment and cleanup after the September 11, 2001 and a reassessment in April 2002 of this building. Enclosed is the information you requested. Should you have any questions, please contact me at 212-998-1442.

Sincerely,

Louis Ortiz
Associate Director
