R. Radhakrishni, PE
Director of Asbestos Control
NYC-DEP
59-17 Junction Blvd
Cornona NY 11368

Dear Mr. Radhakrishni,

We are the managing agents for the residential apartment building at 3 Hanover Square, Manhattan. We understand inspections of the property have been conducted by representatives of your agency. We would like a full report of their findings and explanation of any decisions, including decisions not to provide exterior cleaning of our facade or interior courtyard facade.

Please call me with any questions.

Very truly yours,

A handwritten signature in black ink, appearing to read 'Donal Bergin', is written over a horizontal line.
