RE: 140 William Street
96 Fulton Street

Dear Mr. Radhakrishnan:

On behalf of the ANS, as the Chair of the ANS's Building Committee for its 140 William Street building, I am enclosing three original executed License Agreements for the cleanup of the "exterior areas" of the above referenced building owned by the ANS.

I would appreciate your returning two fully executed originals to me at your earliest convenience; one for the Building Committee's files and one which I will deliver to the ANS Headquarters building for their files.

Our "owners representative", Peter Res will be our "on premises" contact person who will coordinate with the City's contractors for the work being done on the building's exterior areas; he can be reached at 201-768-2187 and will be contacting your office for such coordination as requested in your letter.

Thank you for your assistance in this matter.

Very truly yours,

John W. Walter,
Chair, Building Committee
First Vice President, ANS
