Dear Mr. Barra:

This is to provide your office with an update on the New York City Department of Environmental Protection exterior clean-up program. We currently have five buildings where cleaning activities are ongoing and are awaiting license agreements for two others. An updated list will be provided to Mr. Kim by e-mail.

The New York City Department of Environmental Protection has been and is continuing the exterior clean up activities at buildings in the vicinity of the WTC. Contracts ROF-REM1 and ROF-REM3 have been in order to complete the clean up activities. Contract ROF-REM1 will now end on March 31, 2003 and contract ROF-REM3 will end on December 31, 2002.
