Subject: Permit Applications

Please find a permit application for the exterior cleaning of:

- 189 Broadway
(Need closure at Broadway and at Dey Street)

There is a subway station on the corner. I spoke to Mr. Malvasio and he said it would be okay. I sent him the attached letter after I spoke to him.

We will start the project at night (9:30pm) as soon as we have your approval. We are ready to go on it.

As always thank you for your help.

Please contact me at (718) 595-3657.

Subject: Subway Entrance Closure at Southwest Corner of Broadway and Dey Street

Dear Mr. Malvasio:

As you are aware from our previous correspondences, the NYC DEP has been removing debris from the collapse of the WTC from exterior building surfaces since June 2002. A NYSDOL licensed asbestos contractor with NYC DEP and NYSDOL certified workers performs the cleaning activities and an independent air monitor performs air sampling. The NYC DEP monitors the cleaning activities.

The building at 189 Broadway is scheduled for cleaning of exterior surfaces. We are requesting your assistance and cooperation for closure of the subway entrance at the southwest corner of Broadway and Dey Street for the cleaning of the building facades. This program is coming to a close and we would appreciate your help in expediting this request. The station is normally closed at 9:30 P.M. We would therefore like to begin work at that time so as not to impact the station. We will mobilize as soon as we have Transit and DOT approval. We will not be able to get approval from DOT until we receive a written reply from your office.

Thank you in advance for your time and effort. If you have any questions or require additional information, please contact me at (718) 595-3721 or Penny Theodorellis at (718) 595-3657.

Sincerely,
