To whom it may concern:

The New York City Department of Transportation (DOT) Holiday Work Embargo begins on Monday, November 18, 2002, and runs through Thursday, January 2, 2003. During this period, all permitted work must cease. Our records indicate that you have active permits in Lower Manhattan, defined as Canal Street and south, which will be affected by the embargo.

In order to continue work through the embargo period, contractors must apply for a waiver from DOT. Contractors who do not receive a waiver are not permitted to work during the embargo. A waiver is denoted on the permit by the stipulation code 410. Applications for waivers should be mailed to:

Mr. Joseph Noto
Executive Director, OCMC
NYC Department of Transportation
40 Worth Street, 9th Floor
New York, New York 10013

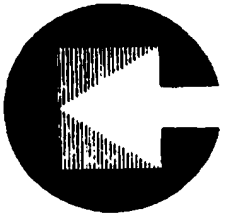

Applications should also be faxed to the Office of the Lower Manhattan Borough Commissioner, attention Laura Walters, at (212) 788-8986.

If you have any questions, please contact me at (212) 788-8989 or via email at frubes@dot.nyc.gov.

Sincerely,

Frank Hrubes
Director of Construction Coordination
