Subject: Permit Applications

Please find a permit application for placement of the shanty/trailer and containers at the following location:

- 35 Ann St (between Nassau Street and William Street)

This permit is a request for an extension of the previous permits.

- The waste container M02-2002 210-136 expires 8/30/02
A DOT representative went by the site and instructed that we make sure the permit states containers and not container.
- The shanty/trailer M02-2002 225-064 expires on 9/12/02

Thank you for your help.

Let me know if the extensions need to be submitted differently.
