Subject: 105 Washington Street, Manhattan

Dear Ms. Tseng:

This is a follow-up to several telephone conversations with my staff with you and your cleaning contractor, Clean Sweep, for 105 Washington Street, Manhattan. To date, the Department has not received copies of the requested environmental assessment and/or laboratory reports.

As you are aware, advisories for procedures to be followed for building re-occupancy have been issued for building owners. The Department of Environmental Protection Bureau of Environmental Compliance is again requesting copies of the environmental hazard assessments and air monitoring results to the Department.

If you have any questions, please contact me directly at (718) 595-3718.

Sincerely,
