RE: 50 Broadway – Façade Environmental Cleaning

Dear Mr. Radhakrishnan:

As previously discussed, please find attached four original license agreements, which have been executed by the building manager, Steven Castellano. I've also included copies of the letter, which was graciously provided by your legal counsel, Russell Pecunies. If possible, we would appreciate getting back two originals for our files. We will coordinate with your designated contractor and we'll follow up on our own to address the window frames cleaning.

If you have any questions or problems, please let me know. Again, thank you for your patience and guidance in dealing with the scope questions. We look forward to completing this effort in the near future.

Sincerely,

A handwritten signature in black ink, appearing to read "John Tobin".

Re: License Agreement
50 Broadway - Facade Cleaning

Dear Mr. Tobin:

In response to your inquiry concerning the above, please be advised that the cleaning of debris in the window tracks and window frames of the building is outside the scope of the work which would be performed under the License Agreement. DEP considers such surfaces to be part of the interior of the building.

Your interest in the Building Cleaning Program is greatly appreciated.

Very truly yours,

Russell Pecunies
Assistant Counsel
