Dear Mr. Radhakrishnan:

Pursuant to your letter of February 16, 2002 regarding the above-referenced property, please be advised that our Facilities Manager has taken care of the situation and will continue to do so on a regular basis.

The areas were inspected indicated on the notice and found a MINOR buildup of dust in areas on the roof and setback. Building staff swept areas and rinsed with hose. The amount of dust/debris removed was minimal.

Very truly yours,
