It took us about 2 hours to clean the roof due to lots of debris underneath wooden deck.

The wooden deck had to be raised up and there were lots of accumulation of debris that had been buried for a long time.

After thorough cleaning and washing the roof was later inspected and was free of visible debris.

The Contractor continued with the facade cleaning including the rear setback which was not part of the first measurement. The facade was cleaned and the rear setback and were later inspected to be free of visible debris.
