NOTE/COMMENT:

~~RE~~ We purchased THIS BUILDING ON ~~10~~ OCTOBER 28, 2002 AND WERE NOT THE OWNERS DURING 9/11. I AM TRYING TO ACCESS what has and has not been done. We washed the exterior and all windows after taking possession. I am told by the engineering staff that Dampers were washed and filters were changed. I am attempting to get copies of air quality tests. I will forward when I get them. If you need any further information, please call me at 212-924-9690x207
