Attached email contains data that has been shared with you by a member of the Environmental Sampling and Assessment Workgroup.

This data is in its original format as provided by the data collector. This system will provide you with the fastest access to the most current results available and will run concurrently until EPA's internet database is tested and functioning smoothly. Any data that has been provided to this email address will automatically be forwarded to EPA for inclusion in their master database. (no need to send a duplicate
