Virginia, these numbers are out of the Website as of today:

5,384 requested cleaning and testing
1,241 requested test only

Also, the system as of right now does not track cancellations. We hope to be able to do this sometime in the near future.

I hope this helps! Please give me a call if you have any questions. In addition, have the change orders been finalized for the Monitoring Contractors? Thank you for the copies of the change orders for the cleaners.
