Subject: Training Session for the Possible "800" Number Call Center

Importance: High

Penny --

The training for the Call Center personnel has been scheduled for:

DATE: Thursday, March 7, 2002
TIME: 9:00 - 12:30PM
PLACE: Department of Health
125 Worth Street, 3rd Floor Board Room
New York, NY

I don't have a contact number, but you might want to try the Epidemiology unit if there is any problem:
(212) 788-4300. Or, Nancy Jeffery's number (347) 245-0031.

I will walk this down to you as well.
