Subject: Buildings-Parks-Data Group meeting; Jim's outline of overall scope

Dear Colleagues-

We will have a meeting of the Buildings-Parks-Data group at 11:30 am on Tues. 9 April at 100 Gold St, 2nd floor, Queens Room. Please attend if your agency has any testing/sampling data, and be prepared to discuss what it will take to digitize this information, what resources your agency needs to do so, and what categories you believe should ideally be included in the database. Please send a sample of the type of data you have to Doug Williamson (dwilliamson@plangraphics.com) in advance of the meeting.

Also, attached is the outline that Jim presented at the end of Wednesday's Task Force meeting.

Thanks, Lee
