As per my conversation with Paul Gaur
 this AM pls. note the following:

1) Unoccupied Bld. Clean up

Option 1. - We declare that the
 buildings pose a potential health risk
 requiring the clean up under our program

Option 2. - We obtain a right of entry
 from the building owner and its
 occupants to clean

2) I spoke with Mark Haffer this AM
 concerning the "umbrella insurance policy"
 the City was entertaining.

This needs to be addressed by the
 Corp. Counsel and City Hall.

All other issues were essentially in good
 shape as per his conversation with City
 Law & EPH Law. Frank Schiano was
 following up.
