Members of the Environmental Planning and Review Subcommittee:

Enclosed is a draft working copy of the Programmatic Environmental Assessment for Recovery Activities – World Trade Center Disaster, New York City, New York. This document, dated January 24, 2002, is being developed by the Federal Emergency Management Agency in support of the Public Assistance program for FEMA-1391-DR-NY.

Please provide written comments during the next scheduled Environmental Planning and Review Subcommittee meeting, February 7, 2002. Feel free to fax your comments to 212-667-8987 as well.

We appreciate your time and consideration in this matter. If you have any questions, please contact me at 212-416-0348 or Kelly Krenz at 212-416-8960.

Sincerely,

Robert J. Tranter
Regional Environmental Officer
