Certified Asbestos Investigators

The NYC DEP does not provide recommendations or referrals. The NYC DEP certifies over 300 asbestos investigators per year. Certificates are valid for two years and the application for renewal must be received 60 days prior to the expiration date. The individuals listed here have agreed to the listing. While selecting an asbestos investigator, the ALCP suggests reviewing the individual's violation history (if one exists). Violation histories may be obtained within 48-72 hours by faxing a request to (718) 595-3749.
