**TRIBECA ORGANIZATION**

**October 3, 2001**

**To: Ms Jessica Perez  
Office of Deputy Mayor Rudy Washington  
From: Ira Bezozza  
Board Member Tribeca Organization  
Re: October Weekend Open House & Mayor's  
Assistance**

The Tribeca Organization was formed in the wake of the World Trade Center tragedy. It is comprised of over 150 merchants in the Tribeca community-restaurants, home furnishings dealers, art galleries, schools, food merchants-the gamut of the retail businesses, which make up the commercial backbone of Tribeca. We are all working to put our businesses together and to make the Tribeca community stronger.

But we need the help of the Mayor's office. We are planning to hold a weekend open house of all our businesses on the weekend of October 19-21. We will be advertising in the New York Times encouraging New Yorkers that we are open for business and that they should come and shop and eat-all at a 20% discount. But for this weekend to be successful, we need the help of the Mayor's office with our logistical planning and perhaps with a little Mayoral boost-like a Saturday walking tour of the shops and restaurants.

We are aware that the Mayor's and all of his peoples' time is precious right now and they operate in a triage environment. However, if someone in your office can take a meeting with us so that we can advise you of our plans for the weekend and our concerns it can only benefit Tribeca and the City's recovery. Please contact Ira Bezozza of Antiquity, 46 White Street, at 925-4444. Thank you for your time and attention.
