 RE: The Korean-American Assn. of
 Flushing Meeting -- Monday, 10/29
 at 7:00 PM

Mark --

I was forwarded a call today from Ms. B. Nation of NYCDOS, regarding attending the above meeting on Monday. (See attached.) Per Ms. Nation's office, she was unreachable today, so I spoke with the DM of Qns. CB # 7. to get some info' about the meeting. Marilyn prefaced her remarks by saying that in general they want to know about the services available to businesses. However, in light of the WTC disaster, they will want some answers about what relief, if any, they are eligible for. (She said that many vendors from Manhattan's Chinatown have moved into the Flushing area.) As you know there are many restaurants in the area, with grease always a 'slimy' issue: (There are proposed changes to DEP's Sewer Use Regulations to take the Federal Industrial Pretreatment Program into account.) [I left a message on LaGrotta's voice mail today.] Of course, there will be other unforeseen queries.

DBS would like DEP (EEDA) & SBA to give presentations with her. (Per CB#7, NYCDOS will be there.) Mike said to clear any participation with you. Thank you,
 Please advise. *Rose Marabetti*
