FAQ

Question:

Caller would like 2 things!

1) Have the dust tested in her apt. which she said has been constant in her apt. for the past 6 weeks - it floats in air, then settles. Wants DEP to check out.

Answer:

2) Would also like her apt. professionally cleaned + tested for AQ.

Comments:

Informed her that I will check DEP re checking this new dust phenomenon - but that I thought she asked, just go ahead + get the apt. cleaned by EPA. I also gave her the DEP website for certified indoor air auditors, contractors, + air testing.
