FOR YOUR INFORMATION

I just learned that Bob Martin, EPA Superfund Ombudsman will be holding the first in a series of hearings on the WTC matter(s), on Saturday, February 23, in the Ceremonial Courtroom, of the Federal Courthouse, beginning at noon. The local Congressman will be co-chairing the hearing.

Bob has asked me to attend, but at the moment it does not look favorable. I will likely be opening up an inquiry into multiple citizen contacts/complaints regarding testing in apartments near the WTC

I sent the invitation to Haeda. She will call Nadler's office. My opinion is that the City should not have to go to EPA's gig - especially since it is my understanding that EPA isn't even attending. More tomorrow. No one should plan on going without clearing with intergovernmental.
