

Exterior Bldg Cleaning

Mark Hoffer what would 50 million cost?

1) Insurance 2-5 million opposed to \$50 million as proposed by Levi of Law Dept.

2) Indemnification of the City from the Bldg Owners. Improbable and prohibitive.
~~Do~~ Do we have a viable and reasonable alternative.

3) FERM - Language that is simplistic suggesting building owners will report any reimbursement from insurance company's and remit to the City to cover expenses

would in as an insured interest
independent by

contracts \$3 million

available monies \$10.3 million

- 452 buildings
 216 over weekend
667 buildings
