EPA / DEP meeting with Indoor Contractors

October 17, 2002

Common Issues

Poor response to telephone calls.

One consultant mailed letters and access agreement to all the tenants/ occupants requested apt cleanings. Another consultant emailed the same information.

✓ Cancellation of the clean up by the tenants/ occupants on the scheduled cleaning day. Consultants and contractors want some kind of compensation (4hrs / half a shift).

EPA → still not resolved

One consultant is not letting the contractor work more than 6-7hrs a day & more than 15 apts. / day (Cole & JBH). Two year contract...

Work flow is not steady. Contractors need consistent amount of work. Unless this problem is corrected we may have serious problems.

Apartment sizes are too big. Some of the terraces / balconies are huge- DEP
