Dear Mr. Somich:

This is in response to your correspondence regarding sampling and clean up activities at 53 Park Place. According to the information provided to the New York City Department of Environmental Protection, the building owner conducted environmental sampling and clean up activities. For specific information, please contact the building owner or manager.

As you are probably aware, the USEPA has established a hotline and web site for indoor testing and cleaning. You can register for the cleaning and/or testing by electronically submitting your request. Please refer to the USEPA web site for more information or you may call the hotline number at (877) 796-5471.
