Dear Mr. Lahti,

Your e-mail inquiry was forwarded to the NYC Department of Environmental Protection's Bureau of Environmental Compliance for response. All reports were forwarded to the US EPA and they have put them on a website. This website is www.epa.gov/wtc.

Sincerely,

Jane Maldonado

I believe we can send this to USEPA as all reports were forwarded to them. Do we have an internet address where he can look?

Jane,

I do not think this falls under Air/Noise--maybe it is Krish?

Metals data may not be on the website. I am not sure if the City did any testing near here for metals. If the answer for the City is "no", then we should refer them to EPA and DEC regional offices.
