PII

Dear Mr. **PII**

The New York City Department of Environmental Protection's (DEP) Bureau of Environmental Compliance is in receipt of your correspondence concerning an article you reviewed in the Sacramento Bee pertaining to New York City Pollution and the World Trade Center. I apologize in the delay in responding to your correspondence. However, the issues that you raised do not fall under our jurisdiction. To obtain information in this matter, please contact the Department of Health.

I hope this information is helpful.

Sincerely,

Michelle Needle
Assistant to the Director
Division of, Air/Noise,
Permitting, Enforcement & Policy

**Robert C. Avaltroni

Subject: Site locations WTC

Dear Ms. Menotti,

Your correspondence was forwarded to the Department of Environmental Protection for response. The following is the site information you requested:

Site 6A is located at the west end of Warren Street which is also the intersection of Warren Street and River Terrace. Site 8A is located on River Terrace between Warren Street and Park Place.
