Dear Mr. Hahn,

The New York City Department of Environmental Protection's (DEP) Division of Air/Noise, Permitting, Enforcement & Policy is in receipt of your e-mail. However, DEP was not the lead agency for the monitoring information that would respond to your request. We would recommend that you contact the Office of the Regional Administrator, USEPA, Region 1 located at 290 Broadway, 26th Fl. New York City, NY. 10007.

I hope this information is helpful.

Message: We are doing research on terrorism and it's accompanying environmental effects.
We need to know how long did the smoke plumes from the September 11, 2001 terrorist
attacks remain over New York City. Thank you very much
