Dear Ms. PII

Thank you for your interest in our continuing remediation efforts in the vicinity of the World Trade Center. Bidders list criteria and minimum qualification requirements are in the process of being developed.

We will contact you with additional information when it becomes available.

Message: We are a real estate environmental consultant company that provides air monitoring and ACM testing. How do we get involved in the clean up of downtown Manhattan. We have already provided clean up and monitoring for both commercial and residential buildings downtown. How do we get involved with the EPA's efforts and get listed on the web site? Thank you.
