

⑤ WORLD TRADE
CENTER

Deutsch, Jonathan

To: Hoffer, Mark; Schiano, Frank
Subject: World Trade Center Recovery Litigation

I have spoken to, or left messages for, all of the people Doug Greeley named as responding supervisors at the World Trade Center. They have all been directed to contact Teresa Barillas to schedule interviews. They are aware that Teresa is the City's lawyer and that they are not to be concerned.

I have spoken with Teresa, and she stated that she would get the names of Bob Avaltroni's responding supervisors and contact them directly to be interviewed.
