Please feel free to call Lynn (212) 780-3673, who prepared the statement, if you have any questions about it and/or me (212) 460-3414 if there is anything I can do. Meanwhile, please send me your snail mail address so that we can send you a formal hard copy with cover letter. Do you have any sense of how long the processing of this payment will take?

 Our records show that the amount of electricity used at 125 Cedar Street during the period August 1 to December 3, 2002 exceeded each tenant's historical usage. The spreadsheet statement shows prorated charges for electricity consumed in the individual apartments during the clean-up period of September 13 through November 13, 2002.
