ACP7 Filed: A “yes” in the ACP7 filed column refers to the submittal of an asbestos project notification form to the NYC DEP. The notification may refer to the clean up of the entire building or a portion thereof. Notification to the NYC DEP is required for the clean up of greater than 10 square feet of asbestos-containing material (ACM). An asbestos-containing material is a material that contains greater than 1% asbestos.

Interior Debris: A “no” entered in the interior debris column indicates the owner/manager stated that debris from the WTC did not enter the interior of the building. It may refer to no debris or a light coating.

General Clean Up: A “yes” in the general clean up refers to all clean-up activities that did not require a licensed asbestos-abatement contractor.

ACM Clean Up: A “yes” in this column refers to clean-up activities where bulk samples indicated the presence of ACM.

Bulk: A “yes” in this column refers to the collection of bulk samples and the NYC DEP receipt of the information.

Air: A “yes” in this column refers to the collection of air samples. The air samples were analyzed by PCM or TEM.
