Department of Environmental Protection
Customer Service Center
59-17 Junction Boulevard, 13th Floor
Flushing, NY 11373

To Whom It May Concern:

On March 9th, 2008, your company forces damaged our electric secondary cable located at 164th Place and Grand Central Parkway, Queens. Our investigation reveals that you are responsible for the damage and a bill for the cost of repairs will be forwarded to you. **You will be contacted by our Legal Department regarding reimbursement. Should you have questions regarding this matter, please contact Catherine Cooper, in our Law Department at (212) 460 – 4527.**

We caution you of the danger to you, your employee and the public when gas, electric or steam facilities are disrupted. The integrity of Con Edison's gas, electric and steam transmission and distribution systems must be maintained.

Very truly yours,

Felim McTague
Section Manager
