Chris,

FYI. I'm on my way back from the hospital if you need to speak to me.

Bob

Sharon and Bob,

I think that it is imperative that we meet in advance of this meeting to develop a coordinated strategy how to address the ongoing EPA issues. I recommend that we try to include Dan D., Chris W. and NYC DOH.

Sharon,

Can you suggest some times.

Subject: RE: Meeting Confirmation

The meeting topic, which we discussed last Thursday, is the issue raised by numerous unions and political representatives, of whether there should be a cleanup program of commercial buildings. I believe it is important that the key senior leaders of the government agencies involved at the federal, state and city level should discuss this issue and how it should be handled. It has been extremely difficult to arrange a date for the state DOH and DEC commissioners (or her representative in the case of DOH) to be in New York City for such a discussion. 12/5 is the date which is earliest possible for them. I will be coordinating with Bob Avaltroni regarding participants from the City. You suggested Deputy Mayor Doctoroff, and Bob seemed willing to pursue that possibility. As Bob was out yesterday, I will discuss with him today. Will let you know what I find out. I am also discussing with Pat Clark of OSHA given the union/worker aspect of this issue. Jane Kenny and myself plan to participate for EPA.

Final note - the time will be 1:30 to 3:30, a correction from my message.

Thank you.

Subject: Meeting Confirmation

As we discussed at our meeting last week, please confirm that you will be able to attend a meeting on 12/5 from 1 PM to 3 PM in EPA's Regional Administrator's conference room on the 26th floor at 290 Broadway. We will send a list of attendees/invitees shortly from the other involved government agencies. At this time Jane Kenny, Erin Crotty, Commissioner of New York State Department of Environmental Conservation and Ron Tramantano, Director of the Center for Environmental Health in the New York State Department of Health plan to attend.

Thank you.
