Here's the very latest on the meetings we decided on Friday to set up for this week. I have a call in to DEP and see if they can send anyone to them. Considering today's meeting is totally last minute, I am guessing they probably can't make it, but hopefully they can make the others.

Monday, June 10 from 4-5 --Red Cross and Safe Horizons - Red Cross has confirmed (FEGs can not make it, but they might be able to make Friday)
 Tuesday, June 11 from 11:00 - 12:00 - Chinese Organizations -- Asian American for Equality have confirmed and are helping Berry identify other organizations
 Thursday, June 13 1:00 - 2:00 -- Tenants, Owners and Realty organizations -- Have many calls out, some confirmations.
 Friday, June 14 -- 2:00 - 3:00 -- 911 Environmental Alert-- Sidhir CAN NOT MAKE IT, WANTS TO RE-SCHEDULE FOR 6/19. WE MAY BE ABLE TO MEET WITH FEGS DURING THIS TIME SLOT. I HAVE A CALL IN TO THEM.

To All Memebers of the LMAQTF;

I would like to thank the members of the Task Force for all of your efforts and hard work over the past few months.

With the majority of the funding having been requested and the course of action generally agreed upon, there is no longer a necessity to keep the OEM Task Force consitituted as an entity with regular meetings. With DEP and EPA taking the lead on the clean-up, DOH looking at the health aspects, and a Lower Manhattan communications plan nearing completion, we have accomplished our objectives.

As you know the meeting for today was cancelled and there will be no future meetings of the OEM Task Force.

Of course, OEM is always available to assist you so please feel free to contact me at any time.

Again, I would like to thank you for your hard work and dedication.

With appreciation,

 S. Benson
