hi bob and michael,

sorry we've missed each other bob. i hope to talk to you later. in the meantime, michael, i thought perhaps you can see if tuesday afternoon next week works for you to come and meet with us and the hvac consultant we have been working with to discuss the checklist and protocol for hvac reviews and see what might be considered for addition. that is the only day they are available next week, so i have asked them to come (they are from boston and syracuse). i hope we can make this day work. but let me know and we can see how to arrange our joint meeting. thanks. kc

Bob,

As we have discussed in the past, I'd like to try to schedule a meeting between your Bureau of Environmental Compliance and the Division of Environmental Health at DOHMH. Greg Carmichael is the new Deputy Commissioner of this division, and I'd like to introduce him to you and Michael and to increase contacts and communication between our offices. Will you have time in the next couple of weeks to sit down with us? We'll drive out to Lefrak if that is more convenient. Regards,

Kelly

Alas, Mike-

It looks like the EPA is conspiring to keep us apart once again.

Do you know what they have been working on lately? They keep canceling meetings and I feel out of the loop.

I hope you are doing well.
